PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

IN RE APPLICATION OF : Gyorgy Nagy, et al.
FOR : **HIGH DUCTILITY, HIGH HOT TENSILE
STRENGTH TUNGSTEN WIRE AND
METHOD OF MANUFACTURE**
SERIAL NO. : 10/759,645
FILED : January 16, 2004
EXAMINER : Unknown
ART UNIT : 2879
CONFIRMATION NO. : 8076
ATTORNEY DOCKET NO. : 136385 GECZ 2 00692

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

MAIL STOP AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97, 1.98 and MPEP § 609, and supplemental to the Information Disclosure Statement mailed January 16, 2004, applicants submit the following Disclosure Statement concerning art of which the applicants are aware. A copy of PTO-1449 is enclosed herewith.

This Information Disclosure Statement should not be construed to be an admission that any information referred to herein or submitted herewith is "prior art" or is considered to be material to patentability for this invention.

CERTIFICATE OF MAILING

I certify that this Information Disclosure Statement and accompanying document(s) are being deposited with the United States Postal Service as First Class mail under 37 C.F.R. 1.8, addressed to: Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on the date indicated below.

<i>September 08, 2005</i>	<i>Mary M. Schriener</i>
Date	Mary M. Schriener

All of the cited and/or included documents were cited in related European Application EP 05 25 0198. A copy of the Search Report, mailed 31 May 2005, is enclosed.

The United States Patent and Trademark Office OG Notice dated 12 October 2004 published a final rule revising 37 C.F.R. 1.98 dealing with the content of Disclosure Statements. Paragraph (a)(2) was revised to read in part, "A legible copy of: (i) Each foreign patent; (ii) Each publication or that portion which caused it to be listed, other than U.S. patents and U.S. patent application publications unless required by the Office." Therefore, Applicants have listed U.S. equivalents of the "Foreign Art" listed in the Search Report on Form PTO-1449. Specifically, WO/03/031668 A and EP 1 435 389 are equivalent to US 2004/0244879 A1. Likewise, U.S. Patent No. 5,742,891 and U.S. Patent No. 5,604,321 are patent family members of EP 0765949.

Applicants have also listed the "Other – Non Patent Literature Document" of Uray and will provide a copy of this publication when it is available to applicants' representative.

In accordance with 37 C.F.R. §1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(b) exists.

~~Under § 1.98(a)(3), a concise explanation of relevance is required for~~
information that is not in the English language. Accordingly, the English language document has no further explanation.

Under § 1.97(b)(3), this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits. Although it is believed no fee is necessary, any deficiency in fees should be charged to Deposit Account 06-0308.

It is respectfully requested that the documents listed on the attached Form PTO-1449 be considered and officially cited in examination of this application.

Respectfully submitted,

FAY, SHARPE, FAGAN,
MINNICH & McKEE, LLP
